ÖZKURSAN®

TRUSTED AMMUNITION
FOR A SAFER TOMORROW

ABOUT US

39 YEARS

We at ÖZKURSAN began our journey in 1993, when we broke new ground in Türkiye by designing and launching the first domestically produced blank ammunition. In 2008, we expanded our product range by introducing hunting and sporting cartridges. In 2019, we continued our journey by manufacturing pistol and rifle cartridges.

FOUR IDENTITIES / ONE ÖZKURSAN PORTFOLIO

MANAGEMENT SYSTEMS / CERTIFICATES

QUALITY. SAFETY. ENVIRONMENT.

Three complementary management disciplines.
The supplied certificates document quality, occupational health and safety, and environmental management systems.

01

ISO 9001:2015

Quality Management

Documented processes, clear responsibilities and continual improvement.

02

ISO 45001:2018

Occupational Health & Safety

A structured approach to workplace health and safety management.

03

ISO 14001:2015

Environmental Management

A framework for managing environmental responsibilities and improvement.
